Experience at-a-glance:

Self-Employed – El Salvador

Sept 2012 – Present

Art Director / Senior Web Designer

7 years' experience in Real Estate projects for renowned development companies such as Cypress Equity Investments, Century West Partners and Fifield-Co.

1 decade working in web properties for a wide array of industries for award-winning interactive agencies such as ROI-DNA, Dyode-Inc, ClickMore Media and others.

Basement-Inc – Los Angeles

Nov 2007 – Sept 2011

Senior Web Designer

Responsible for the concept, design, and execution of visual materials for cross channel initiatives including projects for "Fortune 500 companies" such as Marinela USA, Symantec, PayPal, Sony, Warner Bros, among many others.

Kick Solutions – New York

Aug 2006 – Nov 2007

Jr. Web Designer

For Kick Solutions I developed websites and print material for small companies in a broad variety of industries.

Qualification Highlights:

- Over 15 years of industry experience in several production roles.
- Strong knowledge of Design Tools, HTML5, CSS and responsive web design.
- Strong knowledge in project Management.
- Self-taught, self-motivated. Ability to efficiently organize, prioritize and manage multiple projects in a deadline-driven environment. High attention to details.
